## Sportsplex Barracudas Swim Team 2009–2010

Our swim team is a recreational competitive program for children 6–18 years old. The season ends in March with the Empire State Swim League Championship Meet. We offer flexibility within the practice schedule, affording swimmers the opportunity to continue with other after-school activities.

### Session Dates

Sep 28, 2009–March 27, 2010 (26 weeks)

### Registration Information

Swimmers must complete the Sportsplex Barracudas Swim Team Registration form to enroll. You may register in person or by mail or fax.

Team dynamics allow for fifteen swimmers of each sex, in each of the five age groups (6–8, 9–10, 11–12, 13–14, 15 & up).

All 2008–2009 Barracuda swimmers will receive a registration packet in the mail for the 2009-2010 season. Registration for returning swimmers begins Tuesday, September 15, 2009.

Registration for new Barracudas begins on Tuesday, September 22, 2009.

\*In order for the coaching staff to best serve the swimmers, we cannot accept any new registrations after 4:30PM on practice days. Children will not be able to begin practice without having registered.

### How to become a Barracuda

Must have completed Stroke Development Group Swimming Lessons, Swim Club or have Aquatic Director's permission. Potential Barracudas should be able to swim a length of the pool (25 yards) each of freestyle (front crawl) and backstroke without stopping, and have at least an understanding of how to do breaststroke and butterfly.
