

## Tennis PLUS Option

Dear Parents,

The Tennis Department at Sportsplex is providing a unique opportunity for the children participating in Camp Sportsplex 2010. If your child has expressed an interest in tennis this program is right for you. We are offering a limited amount of spaces for this program called Tennis PLUS. I have detailed the program for you to look at.

### **Please Read Further:**

#### **What is Tennis PLUS?**

Tennis Plus is one on one or a small group tennis lesson/play with a Sportsplex certified USPTA Professional Tennis Professional during the time your child attends Camp Sportsplex.

#### **Why is Camp Sportsplex offering Tennis PLUS when children already receive a tennis component?**

Camp Sportsplex does a wonderful job providing tennis to all its campers. The ratio of student to Instructor is a large group session. Camp Sportsplex also provides basic instruction. Many of the children want to play and hit more balls.

#### **Tennis PLUS Offers:**

- USPTA Certified Tennis Teacher
- 1:1 or 4:1 student/teacher ratio
- Highly skilled instruction
- Strategic instruction
- Children develop a sense of the game faster
- Fosters love of game through fun active games and drills

#### **How do I enroll my child for Tennis PLUS?**

Our assistant tennis director will coordinate the lesson time and day based on your child's attendance in Camp Sportsplex. We just need to know whether you're interested in a private lesson or the private group lesson. The child will not miss their swim lesson, lunch, or camp wide. The time and day depends on the grade and level of the group and also the tennis pros availability.

#### **Tennis PLUS Options \*\*\*Prices reflect ONCE a week**
