

TENNIS PLUS for 2011

Dear Parents,

The Tennis Department at Sportsplex is providing a unique opportunity for the children participating in Camp Sportsplex 2011. If your child has expressed an interest in tennis this program is right for you. We are offering a limited amount of spaces for this program called Tennis PLUS. I have detailed the program for you to look at.

What is Tennis PLUS?

Tennis Plus is one on one or a small group tennis lesson/play with a Sportsplex Staff Professional during the time your child attends Camp Sportsplex. Group and private lessons are scheduled ONCE a week.

Why is Camp Sportsplex offering Tennis PLUS when children already receive a tennis component?

Camp Sportsplex does a wonderful job providing tennis to all its campers. The ratio of student to instructor is a large group session. Camp Sportsplex also provides basic instruction. Many of the children want to play and hit more balls.

Tennis PLUS Offers:

- *1:1 or 4:1 student/teacher ratio*
- *Skills and strategy instruction*
- *Children develop a sense of the game faster*
- *Fosters love of game through fun active games and drills*

How do I enroll my child for Tennis PLUS?

Please email our assistant tennis director, the weeks your child is registered in Camp SPX and whether you're interested in a private or group lesson.

Payment and Scheduling Lessons

A credit card is required to be on file for non-members. Full payment is required at the start of summer camp. Group lessons will be scheduled on Tuesday, Wednesday or Thursday. The child will not miss their swim lesson, lunch, or camp wide

Make-ups and Credits

No credits or make-ups will be given if your child misses a group lesson. We will try our best to reschedule a private lesson.

Tennis PLUS Options
