Tot Time Beginnings Two Year Old Program

Tot Time Two Year Old Program

“We educate the whole child.”

Our highly trained and experienced staff will introduce your child to a learning environment like no other, offering a curriculum that is interdisciplinary and dynamic.

Diverse curriculum, focusing on natural learning

Students will learn through everyday, and meaningful experiences such as cooking and even cleaning while moving freely throughout the classroom. Material is better understood when it takes place in the context of daily life.

Monthly themed units

Each month, the students will be introduced to a variety of activities all centered around the theme of the month. Examples of this would be “Winter Fun Month”, the students will decorate mittens, the class will read stories about snowmen, and the sand table will even be filled with snow.

Song and dance

Incorporating music and dance in the classroom fortifies students speech and memory skills while being entertaining for all. Song is imperative for keeping the children on a predictable schedule, they quickly associate the circle and clean up time with music.

Physical Education and Free Swim

The physical education aspects of our program will encompass everything from climbing in our outdoor playground to swimming in the kiddie pool. This type of interaction promotes the socialization necessary for everyday life.

Crafts and Manipulatives

Each day the children will be exposed to a variety of different projects involving multiple mediums. Our circle table will also give the students the opportunity to stack, sort, and even knockdown a variety of manipulative items.

Free Play and Socialization

Whether it is playing in our secure state of the art playground or in one of our classrooms/gymnasiums, students will have the opportunity to forge their first friendships with classmates and just learn how to independently “be themselves”

Our typical day...

9:00-10:15 Free play with stations
10:15-10:30 Snack Time
10:30-10:45 Circle Time
10:45-11:00 Change for swim
11:00-11:30 Swim

Some of our themed units include apples, fall, winter, arctic animals, spring, Dr. Seuss, Sesame Street, sea life, dinosaurs, summer.

See Registration form for tuition and fees.
